The most effective practical training
by experts for all since 2008

About Us

We provide high-quality professional training that gives you EXPERIENCE and KNOWLEDGE effectively

➢ High-end, high-quality training is consistently provided since 2008.

➢ Among few companies selected to attend train the trainer in Alibaba HQ, China.

➢ Our founder contributes to WordPress, Joomla and other open source projects.

➢ We participated and organized tech events in more than 10 countries including Germany, Italy, United Kingdom and other countries.

➢ We are participating in the Malaysia Website Awards(MWA) as an Expert Judge.

➢ We were appointed as eUsahawan Project consultant for Malaysia Digital Economy Corporation (MDEC) 2018, 2019.

➢ MDEC acquired 3 of our training modules to be taught at public institutions nationwide.

➢ We offer a money back guarantee if the training is unsatisfactory*.

"Learn While Making" is our main training concept which helps the participants to comprehend and memorize the knowledge more effectively so that the new skills can be more applicable at the workplace.
